

PROPEL PSYCHOMETRIC TOOLS

A UNIQUE SUITE OF CUSTOMISABLE TOOLS TO SELECT AND DEVELOP

Our validated suite of psychometric assessments provides clients with a reliable, robust and cost-effective solution for their selection and development needs. Local and international norm groups frame assessment results in a context which is relevant to you. Our assessment reports will help to inform your selection decisions and design impactful development plans. The Propel suite offers a variety of tools to measure **ability** and to help you understand an individual's **personality, motives** and **values**.

Our psychometric suite can be blended with numerous external tools to suit your needs. Our consultants will help you mix and match our assessments with those from seven global providers. The Propel Talent Portal aligns and interprets results from the assessments which best fit your needs, and delivers one integrated and unique report for each delegate or group.

WHY PROPEL?

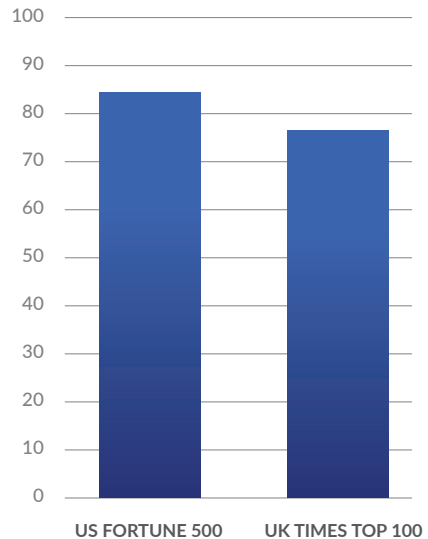

Our tools have been administered globally, establishing local and international norm groups which can be customised to fit your organisation's requirements.

Our single-sign-on, client-branded and intuitive Talent Portal provides multiple assessment options which can be administered in-house or by our Occupational Psychologist consultants.

KEY BENEFITS

- Value for money
- Quick and intuitive set up
- One integrated report summarising results from numerous assessments
- Geographical and industry-specific norm groups
- Tool offering is applicable to the full employee lifecycle
- Assessments in multiple languages
