

PROPEL 360° FEEDBACK

A DEVELOPMENT SOLUTION TO INCREASE SELF-AWARENESS AND IMPROVE PERFORMANCE

Would you like to know whether your organisation's and employees' expectations are aligned? Would it be useful to increase your employees' self-awareness? Would a feedback culture help you to manage change and improve employee performance?

KEY FEATURES

By introducing 360° to your talent management process you will be able to:

- Empower people to take ownership of their development
- Provide employees with valuable, rich feedback to help inform development planning
- Developing individuals in key skill areas which are critical to their current and future roles

Our tried and tested survey provides company-branded reports with developmental feedback for individuals. The data-rich report is intuitive and provides a solid foundation for career planning needs.

WHY PROPEL?

Online, multi-lingual and fully customisable 360° surveys based upon your organisation's competencies.

Our user-friendly, off-the-shelf or customised online platform allows you to administer surveys in-house at the click of a button. Implemented across the globe, our 360° platform is sleek, efficient and tailored to your requirements.

KEY BENEFITS

- Structured feedback based on areas of performance that are important to your organisation
- Detailed understanding of strengths and development areas at individual, business unit and group level
- Foster an open and transparent culture through the provision of meaningful feedback
- Greater performance insight and self-awareness for your employees
- Proof of your commitment to being a learning organisation
- An opportunity to sense check their view against the perspectives of others

Who should take part?

360° feedback can be a beneficial tool for all levels within an organisation
