

# ASSESSOR SKILLS TRAINING

## A TRAINING COURSE TO BUILD INTERNAL ASSESSMENT AND DEVELOPMENT CENTRE CAPABILITY

Building internal assessor skills capability will add value to your assessment and development processes while keeping costs down. Propel's Assessor Skills Training provides your organisation with everything you need to run robust and valid internal assessment or development centres. Our course will equip delegates with the core skills and practical experience to assume the role of a competent assessor.

### KEY FEATURES

Propel understands that training needs to be interactive and experiential, balancing best practice theory, such as the ORCE methodology, with activity-based learning. Propel blends observation with discussions and role plays, immersing participants in the world of assessment.

### WHY PROPEL?

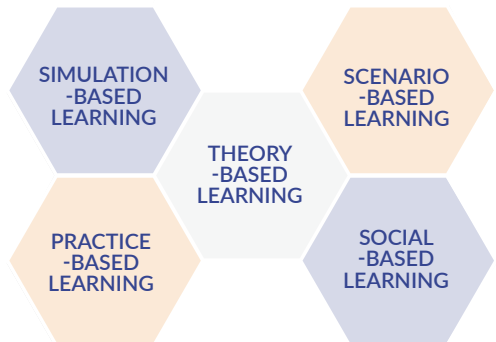

Assessment is the core of what we do. Our large team of qualified Occupational Psychologists have a detailed understanding of the skills and knowledge required for objective assessment. We bring years of practical experience from projects around the world which enables us to deliver best practice for the realities of your workplace.

### KEY BENEFITS

- High quality workforce planning through effective assessment and development centre processes
- Cost saving through reduced requirement for external assessors
- Improved internal capability for your organisation
- Objective, robust and valid assessment
- Learning from experts and networking with peers
- Flexible course structure to fit your needs
- Employee engagement by investing in your people

### Who should take part?

- HR Personnel
- Recruitment & Selection Experts
- Talent Management Practitioners
- Anyone wishing to take part in assessment for recruitment, selection or development purposes
